Clinton opens its hearts and homes to scholars

Safe schools ... a safe community ... a safe place to live.

In Clinton and the surrounding Mohawk Valley, we cherish these qualities of our community. Yet for many children, this is far from the norm. Since 1972, [A Better Chance of Clinton and the Mohawk Valley](#) has offered young men from the inner-city regions of New York City and Boston, an opportunity to flourish in our community.

- We are one of only 25 communities nationwide with an ABC program hosted by a public school.
- All Clinton ABC graduates have been admitted to college and established fulfilling professional careers.
- ABC of Clinton is 100% funded by generous donations from the local community.

Thank you Clinton and the Mohawk Valley for opening your hearts and homes as teachers, mentors, host families, coaches and especially as friends to the ABC scholars!
