Mission: to provide a safe, healthy, welcoming environment to all members of the community, especially its children. These goals are achieved through swimming instruction, leisure, and physical activities that inspire personal growth, respect and self-esteem.

The pool opens every summer in mid-June to provide swimming, lessons, and other programming for children and families. In recent years, other activities, including arts and crafts, food trucks, parties, outdoor movie nights, birthday parties, and more. Attendance last summer was over 6,300 bathers: best summer ever!
