## Off the Hill Challenge

Collaboration continues between the Clinton community and Hamilton College during the **Off the Hill Challenge!**

During Off the Hill Challenge, Hamilton students venture down College Hill Road to visit Clinton, giving them an opportunity to meet local businesses and visit the village. Students spend the afternoon sampling food and browsing stores in the Village. This is a great opportunity for many 1st year students who do not have cars as getting off the Hill can actually be a challenge. The Off the Hill Challenge gives students an easy way do so early on in the semester.

The eventful day even includes a concert from [Hamilton's Tumbling After](#) a cappella group. Students visit participating stores, meet the owners and get a stamp to acknowledge that they visited. T-shirts were given out to the first 250 students.

[Hamilton College](#), [Access Federal Credit Union](#), the [Clinton Chamber of Commerce](#) along with the following businesses in the Village of Clinton sponsored the event:

[8 Fresh](#)
