down College Hill Road to visit Clinton, giving them an opportunity to meet local businesses and visit the village.

Students spend the afternoon sampling food and browsing stores in the Village. This is a great opportunity for many 1st year students who do not have cars as getting off the Hill can actually be a challenge. The Off the Hill Challenge gives students an easy way do so early on in the semester.

The eventful day even includes a concert from [Hamilton's Tumbling After](#) a cappella group. Students visit participating stores, meet the owners and get a stamp to acknowledge that they visited. The first 250 students to complete the "course" receive a free t-shirt at the end.
