* Single Map Ad - \$75 (3" wide x 1.5" tall)

previous edition

Kirkland Trails seeks to develop a network of connected multi-use trails, paths, and bike lanes in the Town of Kirkland, NY, to provide our community with safe routes for recreation and transportation.

Kirkland Trails will hold its first annual member meeting on Monday, January 13, 2020, at 7 pm in the St. James' Church Parish Hall at 9 Williams St, Clinton, NY. Members will hear reports on Kirkland Trails activities over the past few years, especially 2019, and discuss future plans. In addition, three positions on the nine-member Board of Directors will be up for election. These positions are for three years on the Board of Directors. Kirkland Trail members will receive an agenda for the meeting in early January, including a slate of candidates for the open positions on the Board and directions for voting.

The Clinton Chamber of Commerce holds monthly networking breakfast events on the first Wednesday of every month that member businesses host at their location on a rotating basis. Chamber breakfasts provide members with an opportunity to present themselves and their businesses, products and services to other Chamber members and prospective members. This helps them expand their business relationships and connect with businesses in the Village of Clinton, Town of Kirkland and the surrounding areas.

Networking Breakfast (8 - 9:30 AM on the first Wednesday of the month)

Continental breakfast provided by the host

Business After Hours (evening social hour environment - available by request)

Beverages and food are provided by the event sponsor

Both events include the following:

- 60 minutes of networking
- Chamber announcements
- Business overview of the event host
- Introductions - 30 seconds per attendee

These events are FREE. In addition to our members, potential members who'd like to learn more about the Chamber are welcome to attend.

Call to find out how you can show off your business. Please contact Jackie Walters at info@clintonnychamber.org or 315-853-1735.

Upcoming Chamber Member Events:
