The Oneida-Herkimer-Madison BOCES Food Service program is making sure meals are reaching all children – whether they are learning in the classroom or virtually – so they are fed and ready to learn!

School districts in the OHM BOCES Food Service program will continue distributing FREE meals to all children through the end of the 2020-2021 school year. Meals are available for all children 18 years of age and under in each district, regardless of free/reduced/paid lunch status. The free meals are being made available to all children through the extension of the U.S. Department of Agriculture's (USDA) Summer Food Service Program (SFSP) and Seamless Summer Option (SSO).
