Welcome to the Village of Clinton, founded in 1787-celebrating 237 years! While the Village may look historic, positive and exciting change is coming our way.

2023 started out with the exciting news from the State of New York—Clinton and Kirkland won The Downtown Revitalization Initiative (DRI) Grant of \$10 Million. This grant will transform our already great downtown area to be even better. The community pulled together and worked on a significant planning process. It was transparent and inclusive of our residents and businesses with the goal of submitting our Strategic Investment Plan to the Department of State outlining the projects of our choice for funding.

In mid-2023, the Village launched the development of the “Master Plan”. This first ever multi-year plan (2024-2028) will guide the Village operations to continuous improvement. The process involved all members of Village Operations from the Board Trustees to the Crossing Guards. It also included all our various committees: Planning Board, ZBA, Historic Preservation Commission, and the Tree Committee.

A closer look at Village Communications happened in 2023, of which you will see this year and beyond. Our Hamilton College intern helped the Village with a new update vehicle “Around the Green”. Our goal is a quarterly mailing; the first one will be all about the Clinton Historic Preservation Commission (CHPC) (now 40+ years old) informing of the CHPC process—so easy to apply. The second Around the Green is all about the Village’s tree initiatives: the inventory, the management plan, and the great benefits we reap from our Tree asset! In the April Water/Sewer bill, a flyer on Emergency Numbers in Clinton will be included for an easy reference.

If you have not signed up for the Village’s Constant Contact program, please do so immediately! You will be kept up to date on events as they happen effecting things like roadwork, water or sewer incidents, events and much more. Go to the Village Website or Facebook page to get connected.

Another reason to be connected is for the upcoming Department of Transportation (DOT) project starting this summer and continuing into 2025. College and Utica Streets will be made new again with pavement, curbs, sidewalks, tree replacement, and upgraded pedestrian safety measures. In addition, the Village will replace major sewer infrastructure on College Street and Franklin Avenue. Meadow Street will get new pavement and a sidewalk to the shopping plaza and beyond.

If you want to know more about the Village, we welcome the public to our monthly Board meetings held the first Monday of the month at 7PM at Lumbard Memorial Hall.

Welcome to **Clinton** and the **Town of Kirkland**

The Downtown Revitalization Initiative (DRI) will impact the Village and Town for years to come. The \$10 Million infusion to positively transform our Village and Town has been a dream of our community leaders since Hockeysville!

The Strategic Investment Plan (SIP) submitted to NYS includes projects for the public, nonprofits, and private businesses. There were 50 proposals submitted for review by the Local Planning Committee, which was comprised of community members.

After much analysis, discussion and work with the proposers, the list was finalized with 18 projects. For example, Public Projects include: Public restrooms for Village Green events, Reimagining the Village Green, Clinton Ice Arena (summer floor, renovated locker rooms and an addition), Town Sidewalks for safer pedestrian walkways and the Small Projects Fund which will fund projects under \$100,000. Non-Profit Projects include the Clinton Pool, the Kirkland Art Center, The Clinton Historical Society/Old Burying Ground, and the Kirkland Town Library.

Private Business also get to compete with projects including the Cider Mill, Lewis Brothers Apartments and Lewis Road Townhouse complex to name a few.

Will it all get funded? We expect to hear from Governor Hochul in the next few months. Whatever is chosen will be an amazing infusion of not only money but energy and excitement! Stay tuned. It is more likely to see improvements taking place in 2025.

The DRI would not have been possible without the determination of the community leadership of the Clinton Kirkland Improvement Corporation (CKIC)-a new nonprofit organization designed to assist the Village and Town with economic development. For three years, CKIC led the Village and Town into the DRI process which resulted in the largest influx of capital ever! It is a grateful community that recognizes the efforts of CKIC members who made it happen. CKIC has also agreed to manage the Small Projects Fund for the Village and Town-a significant undertaking.

Thank you CKIC and all the participants in the DRI process. It is History in the making!

Clinton's Farmers' Market on the Village Green

On Thursdays from June 6th through October 3rd, the Clinton Village Green is transformed into the area's premier Farmers' Market. With dozens of vendors, there is always a wonderful variety of farm fresh produce, meats, cheeses, bread, baked goods, arts, crafts, and great food vendors. The 2024 Clinton Farmers' Market hours are 10:00 am – 4:00 pm.

Vendors often sell out, so arrive early for the best selections. Prepared food is also available, so stop by for lunch and browse the Market. The Farmers' Market has special activities for children, exhibits, and demonstrations throughout the summer season.

Stop by the Clinton Chamber of Commerce Information Booth for market information and Chamber related news. The market will once again be running the Power of Produce (POP) Kids Club for children up to 12 years old.

Art Rocks will return to the Village in 2025

This popular event is held every other year, and the next Art Rocks event is scheduled for the summer of 2025.

Art Rocks transforms the Village into an outdoor gallery with handcrafted Adirondack rocking chairs. Each chair features original artwork painted by a very talented group of local artists. The rockers are displayed at businesses throughout the village, creating a "gallery path" to discover.

Art Rocks is a fund raiser for the Chamber, with a live auction that is held during the Art & Music Festival. The proceeds from the auction are split evenly between the artists and the Chamber.

If you are interested in participating in Art Rocks as an artist, sponsor or volunteer, please contact event coordinator John Costanzo at john.costanzo@proforma.com
