Welcome to the Village of Clinton, a historic community founded 238 years ago in 1787 and incorporated into the Town of Kirkland in 1843. Clinton has it all! History, Arts, Shopping, Food, Hockey, Education, Nature, Beauty and so much more!

Clinton Historical Society (CHS) – learn about our area’s fascinating beginnings in this new untamed land, cultivating relationships with the native Oneidas and Brothertown tribes, the restoration of an abandoned revolutionary and civil cemetery, and becoming the site of many educational academies.

The Kirkland Art Center (KAC) is the foundation of a robust arts scene of many genres: dance, music, visual, and ceramics, to name a few. Over 60 years old, it would be hard to find a resident without a memorable KAC experience.

Commerce: Clinton’s boutiques and shops offer a wide array of beautiful, unique, and fun gifts for all. With the strong support of the Clinton Chamber of Commerce, Clinton businesses have the Shop Local touch. This extends to our many fine and unique restaurants.

Sports: We have them all, but Clinton is Hockeyville – and has been for decades. The Clinton Comets made a comeback recently as the new name for the Clinton Central School teams.

Education: Aside from Clinton Central Schools’ designation as a National Blue Ribbon School, Clinton has been home to Hamilton College since 1812. The college on the hill has a superlative reputation as a private liberal arts institution.

Nature: Clinton is an active Climate Smart Community pursuing carbon elimination through the use of electrical equipment, energy audits, tree management, and resident involvement. A grass roots group is now a leader—Kirkland Trails has developed and continues to make walking, hiking and biking paths throughout the town and village. The Clinton Garden Club is working with the Village to enhance floral projects in the commercial area. The Village Tree Committee is actively taking care of hundreds of trees to maintain this incredible asset.

Beauty: Beauty is in the eye of the beholder. Although no one would doubt the beauty of the Village Green on a snowy winter’s day with all the trees aglow with the carefully donned lights by the Village Department of Public Works. On a sunny summer Thursday, the Village Green is alive with the Farmers Market, hosting merchants and visitors availing themselves of the freshest local produce and wares. Tuesday nights, musicians on the Green, serenade with a variety of music to suit all tastes.

So much more: There are all the great people living, working, and studying here in Clinton. The people here care about each other and make it all work, volunteering their time, talent and treasure. Stop and stay awhile – you’ll love it here!

If you want to know more about the Village of Clinton, we welcome the public to our monthly Board Meetings held the first Monday of the month at 7:00PM at Lumbard Memorial Hall.

Welcome to Clinton and the Town of Kirkland

In 2024, our community was immersed in the Downtown Revitalization Initiative DRI, which granted \$10 million for economic development. We received 11 awards and are in the process of negotiating contracts with New York State to get them started. The Clinton Kirkland Improvement Corporation (CKIC) is on the front line managing the Small Projects Funds for proposals under \$100,000, which will be underway by time of this publication. Thank you CKIC for this undertaking.

A major change with the DRI will be a considerable increase in housing! Market priced apartments will be available on Taylor Avenue/Utica Street (25 units behind Dunkin Donuts) and on Kirkland Avenue (4 units). Affordable priced housing on Lewis Road (off of Norton Avenue) was also awarded. Clinton has not seen any new housing of this magnitude in decades, and it will bring more people within a walkable distance to our downtown.

In the next year, we will see the other DRI projects take shape. The impact of this grant will be felt for years to come, keeping our community on a positive growth track.

From Spring 2025 – Spring 2026, the NYS Department of Transportation (DOT) will be implementing an \$8 million project fixing College Street, Utica Street, Franklin Avenue and Meadow Street. Replacing the road, curbs, pedestrian crossings, signage, lighting, sidewalks, trees and a major sewer are all part of the project. Like many disruptive projects, it will be wonderful when it is done! Just remember, the pot holes will be a distant memory.

The Sewer project is a special initiative of the Village. The Sewer system is in serious need of attention, and this is a significant and important replacement to the system. The Village was offered a betterment project for the sewer by the DOT, enabling a lower cost.

There are many other initiatives happening in the Village and Town. The public is always welcome to our Village and Town meetings – our committee meetings are open also. Check our websites for times and locations.

Our motto: “A community of everyone for every one” was developed during the preparation of the DRI proposals. The group of volunteer leaders were trying to describe the people of this community. This motto speaks to the inclusivity we want and feel. We may not look very diverse, but we embrace diversity – our differences make us stronger and unique.

“For every one” reflects once you are here, you are one of us – and have our support. In these times, we may not share the same opinions on many topics and that is okay. Kindness counts, neighbors count, you count – you are not alone, we are in this together. Thank you Clinton!

Clinton's Farmers' Market on the Village Green

On Thursdays from June 5th through October 2nd, the Clinton Village Green is transformed into the area's premier Farmers' Market. With dozens of vendors, there is always a wonderful variety of farm fresh produce, meats, cheeses, bread, baked goods, arts, crafts, and great food vendors. The 2025 Clinton Farmers' Market hours are 10:00 am – 4:00 pm.

Vendors often sell out, so arrive early for the best selections. Prepared food is also available, so stop by for lunch and browse the Market. The Farmers' Market has special activities for children, exhibits, and demonstrations throughout the summer season.

Stop by the Clinton Chamber of Commerce Information Booth for market information and Chamber related news. The market will once again be running the Power of Produce (POP) Kids Club for children up to 12 years old.

Art Rocks is back in the Village this year

This popular event is held every other year, and Art Rocks will return to Clinton this summer!

Art Rocks transforms the Village into an outdoor gallery with handcrafted Adirondack rocking chairs. Each chair features original artwork painted by a very talented group of local artists. The rockers are displayed at businesses throughout the village, creating a “gallery path” to walk around and discover.

Art Rocks is a fund raiser for the Chamber, with a Live Auction that is held during the Art & Music Festival on August 23rd. The proceeds from the auction are split evenly between the artists and the Chamber.

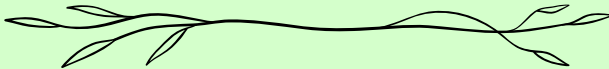

If you are interested in participating in Art Rocks as an artist, sponsor or volunteer, please contact event coordinator John Costanzo at john.costanzo@proforma.com
