Welcome to the Village of Clinton, a historic community founded 239 years ago in 1787 and incorporated into the Town of Kirkland in 1843. **Clinton has it all!**

Clinton Historical Society (CHS) – learn about our area's fascinating beginnings in the untamed land, cultivating relationships with native Oneidas and Brothertown tribes, and the current restoration of The Old Burying Ground, an abandoned Revolutionary & Civil Wars cemetery. History Camp, monthly speakers, monthly newsletters, and a museum are just a few CHS programs to enjoy!

The Kirkland Art Center (KAC) is the foundation of a robust arts scene of various genres: dance, music, visual, and ceramics, to name a few. Over 60 years old, the KAC is undergoing a major renovation to serve an expanded arts vision.

Commerce: Clinton's boutiques and shops offer a wide array of beautiful, unique, and fun gifts. With the strong support of the Clinton Chamber of Commerce, Clinton businesses have the Shop Local touch. This extends to our many dining and drinking options.

Sports: We have them all, but Clinton is Hockeyville – and has been for decades. **Hamilton College Men's Hockey Team made history in becoming NESCAC Conference Champions in 2025 and NCAA Division III Champions in 2026.**

Education: Clinton has been home to Hamilton College since 1812. The "college on the hill" has a superlative reputation as a private liberal arts institution, as well as, a generous and significant participant in the Clinton community. The Clinton Central Schools (a National Blue Ribbon Awardee) is the center for students and their families far beyond the classroom. CCS is involved in so many activities of Clinton daily life. The Kirkland Town Library is a spectacular resource for all.

Nature: Clinton is a Climate Smart Community, pursuing carbon elimination through collaborative efforts with the Village, Town, and Hamilton College. Kirkland Trails has developed and continues to make trails throughout the town and village. The Clinton Garden Club is working with the Village to enhance floral projects in the commercial area. The Village Tree Committee is actively caring for hundreds of trees to maintain this incredible asset.

Beauty: Beauty is in the eye of the beholder, although no one would doubt the beauty of the Village Green on a snowy winter's day with all the trees aglow with the carefully donned lights by the Village Department of Public Works. On a sunny summer Thursday, the Village Green is alive with the Farmers Market, hosting merchants and visitors availing themselves of the freshest local produce and wares. Tuesday nights, musicians on the Green serenade with a variety of music to suit all tastes.

Spiritual: Clinton is blessed with religious organizations of all denominations and an Ecumenical Council including all beliefs.

And so much more: There are great people living, working, and studying here in Clinton. The people here care about each other and make it all work, volunteering their time, talent, and treasure. Stop and stay awhile – you'll love it here!

If you want to know more about the Village of Clinton, we welcome the public to our monthly Board Meetings, held on the second Wednesday of the month, at 7:00PM at Lumbard Memorial Hall.

www.villageofclintonny.gov

Welcome to **Clinton** and the **Town of Kirkland**

2026 came in like a lion, and is likely to stay as active and powerful for the whole year. The NYS Department of Transportation will finish the \$8.8 million project by mid-summer. Last year the DOT transformed Franklin & Meadow Streets with new sidewalks, crosswalks and road work. A new critical sewer and pipes were installed in this area. This year, the project will feature new sidewalks, curbs, trees, drainage, and a nice smooth road from the Rt. 233 flashing light to the Lutheran Home. Several new crosswalks will be added for greater pedestrian safety. Thank you for your patience.

The DRI impact will be seen this year and next. \$600,000 was awarded for small projects – managed very professionally by CKIC-the Clinton Kirkland Improvement Corporation-the Village and Town’s economic development partner. These awards will strengthen local business to be more successful through expansion and improvements.

The Village DRI project is moving along and will start construction in Spring 2027. The upgrade to our commercial space will be extraordinary. The Village Green Citizen Committee along with the Clinton Historic Preservation Commission and other stakeholders will assist in the process to guarantee the best possible outcome.

For the last few years, the Clinton Garden Club has been instrumental in the beautifying of our village. The “Trapezoid” (island) – in front of South Park Row has been radically changed from a piece of grass to a thing of beauty! The Club has led the floral upgrades in collaboration with the Village DPW. New planters will be added with year round surprises. It is this community effort which makes Clinton/Kirkland fantastic.

The Village Tree Committee has been going strong now for over five years! We have been able to manage our trees-one of our best climate assets. This year’s emphasis will be on pruning, replacement tree planting, maintaining our Tree City designation and a very special Arbor Day program at Clinton Central Schools in October.

There is much going on behind the scenes in Clinton and Kirkland. Peter Drucker said, “There is no progress without conflict”. Conflict sounds strong when considering our community. In our case, it might be “There is no progress without vision, heart and tenacity” We all want our place to be the best it can be. Thus, our motto: “A community of everyone for every one.”

Clinton's Farmers' Market on the Village Green

On Thursdays from June 4th through October 1st, the Clinton Village Green is transformed into the area's premier Farmers' Market. With dozens of vendors, there is always a wonderful variety of farm fresh produce, meats, cheeses, bread, baked goods, arts, crafts, and great food vendors. The 2026 Clinton Farmers' Market hours are 10:00 am – 4:00 pm.

Vendors often sell out, so arrive early for the best selections. Prepared food is also available, so stop by for lunch and browse the Market. The Farmers' Market has special activities for children, exhibits, and demonstrations throughout the summer season.

Stop by the Clinton Chamber of Commerce Information Booth for market information and Chamber related news. The market will once again be running the Power of Produce (POP) Kids Club for children up to 12 years old.

Art Rocks will be back in 2027!

This popular event is held every other year, and Art Rocks will return to Clinton in the summer of 2027.

Art Rocks transforms the Village into an outdoor gallery with handcrafted Adirondack rocking chairs. Each chair features original artwork painted by a very talented group of local artists. The rockers are displayed at businesses throughout the village, creating a "gallery path" to walk around and discover.

Art Rocks is a fund raiser for the Chamber, with a Live Auction that is held during the Art & Music Festival. The proceeds from the auction are split evenly between the artists and the Chamber.

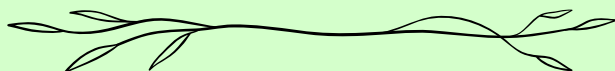

If you are interested in participating in Art Rocks as an artist, sponsor or volunteer, please contact event coordinator John Costanzo at john.costanzo@proforma.com

Enjoy the beautiful Kirkland Trails!

Kirkland Trails has been active since 2019 developing trails for the community.

Enjoy the beautiful trail off Dugway Road south of Clinton which was completed using materials funded by the Kirkland Trails organization. Funds from contributions by community supporters have allowed Kirkland Trails to donate over \$200,000 to the town to secure a federal grant that will build a 2 mile north section. Kirkland Trails has also partnered with the Village of Clinton to extend the trail into the village center.
